John,

I just received a letter from SHPO about this lease. They concurred with my finding of *No Historic Properties Affected*, so this undertaking can be considered cleared for cultural resources. I've put a comment about this in the BS.

Kris

OK. Thanks

John,

I just sent it off along with my consultation this afternoon. SHPO should have it by tomorrow.

Kris,

Did you receive this report, and have you cleared it for ML 41981. Thanks

John,

Here's the arch report for the Black Springs mine expansion from 5 to 10 acres.
